

Workshop on Systems Biology of Tumor Dormancy

July 25-28, 2011

**Center of Cancer Systems Biology
St. Elizabeth's Medical Center
Boston, Massachusetts, USA**

www.cancer-systems-biology.org/workshop.html

Instructors:

Angiogenic Switch

Nava Almog, PhD - Tufts University School of Medicine, Boston, USA

Stefano Indraccolo, MD - Veneto Institute of Oncology IOV-IRCCS, Padova, Italy

Philip Hahnfeldt, PhD - Tufts University School of Medicine, Boston, USA

Cancer Stem Cells and Signaling

Julio Aguirre-Ghiso, PhD - Mount Sinai School of Medicine, New York, USA

Dean Felsher, MD, PhD - Stanford University School of Medicine, Stanford, USA

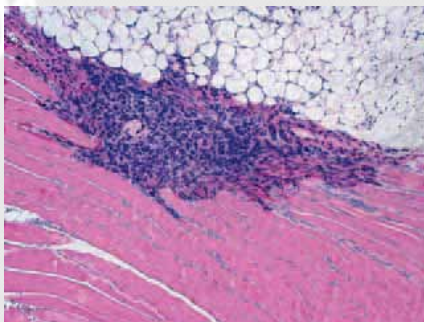

Heiko Enderling, PhD - Tufts University School of Medicine, Boston, USA

Immune System

Bruno Quesnel, MD, PhD - Universitaire de Lille, Lille, France

Tobias Schatton, PhD, PharmD - Harvard University School of Medicine, Boston, USA

Alberto D'Onofrio, PhD - European Institute of Oncology, Milan, Italy
